Take action to enroll in 2018-19 benefits!

Great news! Open enrollment in Action Logistics' medical and voluntary benefits will be held this year from **Monday, August 6 – Friday, August 17, 2018**.

This year is an active enrollment, meaning that employees must meet with a benefit counselor to complete the enrollment process or they will not have access to benefits for this plan year.

How to Enroll

To enroll in benefits, you must participate in a one-on-one phone meeting with a benefit counselor. During your meeting, the counselor will answer your questions, give you more information, and help you enroll in benefits that best meet your needs.
