

2018 Benefits Open Enrollment

Monday, June 11 – Wednesday, June 13, 2018

It's almost time for your benefits open enrollment!

This year, benefits-eligible Brookline Furniture associates have access to a full range of medical and voluntary benefits, meant to ensure health and security for you and your family.

Meet with a Benefit Counselor to Enroll

This is an active enrollment, meaning all associates must meet with a benefit counselor on-site during a one-on-one meeting to enroll in coverage. Associates will be scheduled to meet with a benefit counselor by their shifts or teams by each local HR manager. Benefit counselors will explain your coverage options, answer any questions, and help you enroll in the best coverage for you.

Your Benefit Options

Exciting changes and enhancements are being made to your coverage options this year. Look for more details closer to enrollment. When it's time to enroll, you'll have access to the following coverage:

- Medical
- Dental
- Vision
- Life Insurance
- Disability
- ***NEW*** Critical Illness
- ***NEW*** Accident
- ***NEW*** Hospital Indemnity
- ***NEW*** Lifetime Benefit Term Insurance with Long Term Care

During this open enrollment period only, you can elect coverage in products from Lincoln Financial Group and Chubb – up to a certain amount – without answering any medical questions. Don't miss out!
