Your existing benefits will terminate if you do not make benefit elections during open enrollment.

Great news! We're happy to announce that open enrollment for Napleton Automotive benefits will be held **Monday, August 6 – Friday, August 17, 2018**.

This year's enrollment is mandatory. Employees' existing benefits will terminate completely if they do not take action to make benefit elections during this period.

To enroll in benefits, each employee must participate in a phone meeting with a benefit counselor. The benefit counselor will explain your coverage options, answer your questions, and enroll you and your dependents in coverage.

Visit **napleton.mybenefitsappointment.com** to schedule your meeting, or call **888-723-8980** from Monday – Friday, 8 a.m. – 7 p.m. CDT or on Saturday, August 11th from 9 a.m. – 2 p.m. CDT.
