prevention.*

What is ID Theft?

Identity theft or identity fraud is the taking of the victims identity to obtain credit, credit cards from banks and retailers, steal money from the victims existing accounts, apply for loans, establish accounts, rent an apartment, file for bankruptcy, commit a crime or obtain a job using a victims name.

Additional Benefits Include:

-Identity Theft Prevention

Online information, libraries and coaches can help you and your family take preventive steps to protect your identity. Prevention starts with first understanding what ID theft is and how someone could steal your identity. Learn how to protect yourself and your family.

-Identity Theft Recovery

In the event that you believe that your identity has been compromised, you have access to ID Theft Counselors that will walk you through the recovery process if necessary. Counselors will provide connections to information, FTC Affidavits, referrals for legal representation if needed, assessments and resources.

-Access to Local Practicing Attorneys
If a member becomes a victim of ID Theft, and an ID Theft Coach discovers it necessary for the assistance of an attorney, they will be referred to a local practicing network attorney that has experience in these types of issues. they will receive up to a thirty minute consultation and 25% off the attorney's hourly rate if an hourly rate is quoted.
