

Assignment of Benefits and HIPAA Release Form

I hereby assign to The LifeStrive Group LLC ("LS") my rights to payment for services covered under the annual wellness benefit of the below referenced policy issued by American Heritage Life Insurance Company ("AHL"), but only to the extent of the amount of payment due for the services.

Also, by executing this assignment, I understand that:

- I am requesting LS to requisition a wellness screening for me at this time.
- There is a \$20.00 fee for this requisition, which will be submitted by LS to AHL for payment under this assignment. I understand this will be deducted from the benefit and I will not be charged.
- LS will submit the balance of the wellness screening fee to AHL for payment under this assignment upon completion of the wellness screening.

Finally, I authorize Direct Laboratory Services, Inc. to release the laboratory report health information directly to LS. I understand that this information will only be used by LS for the administration of a wellness program and will not be shared by LS with any other entity, including my employer. I authorize LS to release any information to AHL that is necessary for the processing of my insurance claim.

This assignment of benefits will be effective until revoked by me in writing. Such revocation shall have a prospective effect only.
