Take Action to Ensure Coverage!

Benefits Open Enrollment will be held from July 27 through August 7, 2020 and we are excited to announce there will be no Medical, Dental, or Vision Insurance premium increases or changes. We are also enhancing our voluntary benefit programs! To help you better understand the benefit changes and programs available to you, Bay Ltd. has partnered with EOI Service Company to help facilitate Benefits Open Enrollment. Professional benefit counselors with EOI will help ensure you are enrolled in the coverage that is best suited for you and your family.

This year's open enrollment will be an **active** enrollment meaning you must speak with a benefit counselor to elect or waive benefits. **During this enrollment period only, you can also elect coverage without answering medical questions!**

How to Enroll

All benefit-eligible employees can schedule an appointment to speak with a professional benefit counselor over-the-phone to complete the enrollment process. During your one-on-one appointment, you will have the opportunity to ask questions, get more information, and enroll yourself and your dependent(s) in coverage. To schedule your confidential appointment, visit Bay.MyBenefitsAppointment.com or call (866) 404-9095.
