Welcome

As a Premier Health employee, you play a significant role in our mission to improve the health of the communities we serve. Your benefit package is an important part of your total compensation and is designed to offer both choice and value to meet the needs of our diverse workforce.

This Benefit Guide provides an overview of the benefits available to you for the 2020 Plan Year, with links to additional information about the benefits that interest you.

- Compare benefit plans and pricing
- Ask Emma, the decision support tool, to help find plans that are right for you
- Confirm or update your dependent and beneficiary information
- Enroll in your 2020 benefits
- Print or email your confirmation statement
- Upload verification documentation

My Benefits is available on Inside Premier (intranet).

Just search for “My Benefits” or click on “Quick Links” and select “My Benefits.” After clicking the link, you may be prompted to log in to *My Benefits* with your network ID and password.

Premier Health Employee Medical Plan

Premier Health partners with Medical Mutual to provide claims processing and administrative services for the Premier Health Employee Plan. As the oldest and one of the largest health insurance carriers in Ohio, Medical Mutual’s goal to help members make the best health choices possible while minimizing health care costs aligns closely with our own. As Third Party Administrator (TPA), they bring a variety of programs, discounts, tools and resources that will enhance the comprehensive health care and benefits package we offer to our valued employees and their families.

My Health Plan

My Health Plan is a secure Medical Mutual website that makes it easy and convenient to manage your health plan and your health online. You can check your deductible, review your Explanation of Benefits (EOB) statements, find a doctor in your network, and access a wealth of information to help keep you healthy. [Click here](#) to visit the medical mutual website for more information.

Take My Health Plan with You – Mobile App

Use the most popular My Health Plan features when you’re on the go with the My Health Plan mobile app. Find providers, estimate costs, check claims, and fax or email your Premier Health Plan Member ID card. You can download the app for free from the App Store® or Google Play by searching for MedMutual.

Premier Health Employee Plan Networks

Premier Health offers two health plan options:

- Traditional Plan
- Saver Plan

Tier 1:

Premier Health Group (PHG)

- Premier Health providers and facilities
- Dayton Children's Hospital
- Cincinnati Children's Hospital Medical Center
- Wayne Healthcare

Medical Mutual's Behavioral Health Network

Tier 2:

SuperMed PPO Network

Aetna Open Choice PPO Network

When you use a PHG/Tier 1 provider, you receive the highest level of coverage. You also have access to SuperMed and Aetna Open Choice providers (excluding Kettering Health Network) at a slightly higher member cost share. There is no out of network coverage except for Emergency Room services.

Pharmacy Benefit Manager – TrueScripts

TrueScripts is our prescription management company for the Premier Health Employee Plan. TrueScripts provides tools to help members understand and manage their medications. They will work closely with Medical Mutual and the Premier Health Pharmacy team to help achieve high-quality, cost-effective solutions for our members.

Health Savings Account (HSA) Administrator – Fidelity Investments

Fidelity Investments, our Retirement Savings Plan recordkeeper, is our Health Savings Account Administrator. Employees who enroll in the Saver Plan will have the opportunity to open an HSA with Fidelity. Having your retirement savings and health care savings on the same platform helps make managing your savings and investments easier. Employees have the opportunity to transfer funds from their current HSA to their Fidelity HSA.

Flexible Spending Account (FSA) Administrator – Medical Mutual

In addition to providing TPA services for the Premier Health Employee Plan, Medical Mutual is the administrator for our Healthcare FSA and Dependent Care FSA. Employees are not required to elect medical coverage in order to elect the Healthcare FSA. A Medical Mutual debit card will be provided when you elect the Healthcare or Dependent Care FSA and you will be able to manage both your health plan benefits and FSAs online with one username and password.

Eligibility

Regular, full-time employees and part-time employees are eligible for benefits. (NOTE: The Affordable Care Act [ACA] requires Premier Health to provide medical coverage for some non-benefit eligible employees who meet the ACA Eligibility requirements. For more information about ACA Eligibility classification, [click here](#).)

Who Can Be Covered

Yourself: You must enroll yourself in coverage in order for any dependent (spouse/child) to be enrolled in coverage.

Your legal spouse: Provided he or she is not covered as an employee under this plan. A legal spouse does not include an individual from whom you have obtained a legal separation or divorce. *Important Note:* Spouses who are employed and have access to medical coverage through an employer other than Premier Health will not have access to medical coverage through Premier Health.

Your dependent child to the age of 19 (from birth to the end of the plan year of their 19th birth date): An unmarried dependent child is eligible until the child reaches the end of the year of his or her 19th birthday.

Your dependent child over the age of 19 (age 19 and older):

- *Medical Insurance:* Your married or unmarried dependent over the age of 19 can be covered until the end of the month in which they reach the age 26 provided they are your natural child, legally adopted child, or stepchild.
- *Dental, Vision & Life Insurances:* An unmarried dependent child that has reached the end of the year of their 19th birth date through the end of the year in which they turn 25, must meet the following eligibility criteria:
 - The employee's IRS dependent (refer to www.irs.gov for definition) AND
 - A full-time college student with a minimum of 12 hours at least one semester of the year
- *Your eligible disabled dependent:* An unmarried disabled dependent child who is mentally or physically handicapped and who is incapable of engaging in self-sustaining employment due to such incapacity.

The term *child* includes the following:

- A natural biological child;
- A stepchild;
- A legally adopted child or a child legally placed for adoption as granted by the action of a federal, state, or local government agency responsible for adoption administration or a court of law if the child has not attained age 18 as of the date of such placement;
- A child under your (or your spouse's) permanent legal guardianship as ordered by a court;
- A child who is considered as an alternate recipient under a Qualified Medical Child Support Order (QMCSO).

Your Medical Plans

AD = After deductible has been met; PCP = Primary Care Physician

Premier Health Traditional Plan

Each year you enroll in the Premier Health Traditional Plan, you have the opportunity to earn an employer contribution to your Health Reimbursement Account (HRA) by **completing the Premier Healthy Living wellness incentive**. The dollars in your HRA are used to pay for out-of-pocket deductibles and coinsurance costs related to your medical expense.

- HRA dollars do not pay for services requiring a flat dollar co-pay (i.e. ER, Urgent Care, physician office visit co-pays, and prescription drug co-pays).
- Preventive care services (such as annual physicals, mammograms, and flu shots) are covered at 100% with your medical plan.
- If you don't use all your HRA funds, they will carry over to the next plan year as long as you enroll in the Traditional Plan.*

Once you use up the funds in your HRA, you are responsible to pay for deductibles and coinsurance.

For a summary of the medical coverage under this plan, [click here](#).

Premier Health Saver Plan

The Premier Health Saver Plan is a high deductible health plan that meets certain criteria established by the IRS to allow covered individuals to contribute to a Health Savings Account (HSA). An HSA is an individual account that allows for tax-free contributions by both the employee and the employer. Contributions made to an HSA are managed by the employee and can be used to pay for eligible medical expenses for you, your spouse, and your eligible dependents. Only employees who enroll in the Premier Health Saver Plan are eligible to elect the HSA.

Evaluating Your Plan Options

Check out the decision support tools on [My Benefits](#) to compare plan features and cost. After thoughtful consideration, it is ultimately your decision which plans are best for you and your family.

Benefits of an HSA

- An HSA is yours. The unused balance in your HSA rolls over from year to year and stays with you, even if you change jobs.
- Contribute tax free. An HSA reduces your taxable income. The money is tax free both when you put it in and when you take it out to cover qualified medical expenses.
- When you maintain a minimum balance, your additional funds may be invested in mutual funds yielding tax-free earnings. If you invest your HSA funds, they remain in the investment account, like an IRA or 401(k). This means that HSAs have the potential for long-term, tax-free savings.
- Spend tax free. Withdrawals used for eligible expenses are tax free.

For more information about HSAs visit www.irs.gov/pub/irs-pdf/p969.pdf.

How the Saver Plan Works

The Premier Health Saver Plan has two key components: an integrated deductible and coinsurance. The integrated deductible means both medical costs **and** prescription drug costs apply to the same deductible. After you reach the deductible, the plan pays a percentage of your costs (coinsurance) for both medical services and prescription drugs. Preventive services are covered at 100%, which means these services are not subject to the deductible and coinsurance. For more information on the medical coverage and plan limitations for the Premier Health Saver Plan, [click here](#).

When you elect a Health Savings Account, an account will be created for you at Fidelity Investments. You can elect to deposit pre-tax dollars into your HSA through convenient payroll deduction. **When you participate in Premier Healthy Living and earn your incentive, your employer will deposit money into your HSA too!** Note: The combined amount of employer and employee contributions per calendar year cannot exceed the annual limit established by the IRS.

Once your HSA is opened at Fidelity, you will be able to access your account in the same secure, easy-to-use web portal as your Retirement Savings Plan. There, you can track your account balance, view your investment accounts, and submit requests for reimbursement. [Click here](#) for more information about Health Savings Accounts and the Fidelity NetBenefits Portal.

In addition, you will receive a convenient debit card to make it easy to access the money in your HSA. The card contains the value of your HSA and you can use it to pay for deductibles, coinsurance, and eligible services and products not covered by the plan. When you use the card, payments are automatically withdrawn from your account, so there are no out-of-pocket costs and you won't have to submit receipts to verify purchase.

Annual HSA contribution limits for 2020

Employee electing single coverage	\$3,550
Employee electing any other coverage level	\$7,100

Employees age 55 or over may contribute an additional catch-up contribution of \$1,000.

Am I Eligible for an HSA?

You are eligible to open and contribute to an HSA if all of the following items apply to you:

- Enroll in the Premier Health Saver Plan
- Are not eligible for Medicare
- Are not covered by any other health plan other than a high deductible health plan
- Are not claimed as a dependent on another person's tax return

If you receive VA (Veterans Affairs) benefits, you are now eligible to participate in the HSA due to a change in IRS regulations. Go to www.irs.gov for more information.

Your HSA Contributions

You can contribute your own money before taxes by electing to contribute through payroll contributions. This money will come out of your pay and be placed in your HSA before being taxed, reducing your taxable income. Premier Health gives you the flexibility to change your HSA per-pay contribution at any time.

The Cost of Your Benefits

The benefits that Premier Health offers are a valuable part of your overall compensation package. On average, Premier Health pays the vast majority of the total costs of the benefits program. The table below shows the per pay period (bi-weekly) employee cost for medical coverage.

Medical Costs

	Full-Time Employees		Part-Time Employees	
	Traditional Plan	Saver Plan	Traditional Plan	Saver Plan
Employee	\$56.25	\$46.95	\$143.98	\$46.95
Employee + Child	\$128.10	\$117.83	\$250.61	\$229.23
Employee + Children	\$182.32	\$167.70	\$358.71	\$324.90
Employee + Spouse	\$225.22	\$203.17	\$409.01	\$362.80
Employee + Family	\$236.36	\$211.73	\$426.40	\$378.91

Tobacco Surcharge

Premier Health is committed to encouraging healthy behaviors. When you or a covered dependent is a tobacco user, a tobacco surcharge of \$90 per pay period will be added to your cost for medical coverage. A tobacco user is defined as someone who has used a tobacco product in the past three months. Tobacco products include but are not limited to: cigarettes, cigars, pipes, smokeless tobacco and electronic cigarettes. The Premier Health Employee Plan and Premier Healthy Living offer resources to help you and your family members to quit smoking.

Coverage for Spouses

Spouses who are employed and have access to medical coverage through an employer other than Premier Health are not eligible for medical coverage through Premier Health.

New Hire Credit

New hires through 9/30/20* will receive a \$10 discount off the medical plan for the remainder of the 2020 plan year. To receive the discount for the 2021 plan year, you must complete the Premier Healthy Living wellness program.

*New hires between 10/1/20 and 12/31/20 will receive the \$10 discount for the 2021 plan year.

Premier Healthy Living Wellness Incentive

This document is for members of the Premier Health Employee Plan

1 Biometric Screenings

2021 Premium Discount Program

Complete the **Biometric Screening AND Online Health Assessment** by October 31, 2020 to receive the Premium Discount of \$10 discount on your premium each pay period (\$260 savings annually).

2 Online Health Assessment

3 Wellness Activities

2021 HRA/HSA Award Program

Earn **700 points** by completing wellness activities of your choice by October 31, 2020 to receive a \$500 HRA/HSA Award.

– OR –

Employees hired on or before 5/31/2020 can earn a total of **1200 points** by October 31, 2020 to receive a \$1000 HRA/HSA Award.

- Completion of Biometric Screening, Online Health Assessment AND 450 points by June 30 to be eligible for the raffle.

- **3rd Raffle Opportunity: August 30**

- Completion of Biometric Screening, Online Health Assessment AND 700 points by August 30 to be eligible for the raffle.

Questions?

Call 1-855-553-1006

Visit [PHLWellness.com](https://www.PHLWellness.com)

Convenient Care When You Need It

When it comes to taking care of yourself or your loved ones, you want to get the best care as quickly and affordably as possible. When you are ill, injured or feeling like you need immediate care, always call your primary care physician (PCP) first. If you can't reach your PCP or you don't have time for an office visit, you have options.

Nurse Line

This free call-in service provides 24/7 access to registered nurses for answers to health-related questions. Call the 24-hour Nurse Line number on your member ID card.

Premier Virtual Care – Doctor Visits on Your Computer or Phone

Premier Virtual Care brings a health care provider to you when and where you need it, 24 hours a day, seven days a week for children and adults who are in the State of Ohio. Our team of board-certified physicians and nurse practitioners can evaluate and treat you through video chat without an appointment. Prescriptions can be called in to your local pharmacy.

Visit PremierVirtualCare.com to learn more.

E-Visit

An e-visit allows you to visit your provider using MyChart instead of going in for an office visit. E-visits are available to participants who are patients at a PCP within Premier Physician Network and are not meant to replace seeing your doctor for serious health problems. For more information on e-visits, [click here](#).

Convenience Clinic

Walk-in clinics are located in some drug and grocery stores, and are staffed by physician's assistants or nurse practitioners. Convenience clinics don't require an appointment and generally have shorter than average wait times.

Urgent Care

Urgent care facilities save time and money compared with an emergency room. Many are open evenings and weekends. Urgent care facilities don't require an appointment. When you go to a Premier Health Urgent Care you will have a lower cost share than if you go to other network urgent cares. See Premier Health Urgent Care locations at PremierUrgentCareOH.com.

Flexible Spending Accounts – What Are They and How Do They Work?

Healthcare Flexible Spending Account (FSA)

A Healthcare FSA allows you to set aside pre-tax dollars to pay for qualified medical expenses. The money deposited into your spending account is deducted from your paycheck before taxes are withheld, which lowers your taxable income and increases your spending power. An FSA covers expenses for you and your dependents, even if they are not covered on your primary health plan. You also enjoy the convenience of a Medical Mutual debit card to pay for your [eligible expenses](#). Substantiation may be required.

Before you enroll in a Healthcare FSA, you should evaluate what your out-of-pocket medical, dental, and vision expenses will be for the coming year. Remember, the key to effective use of the flexible spending accounts is planning ahead. Any money left in the FSA at the end of the plan year will be forfeited. This is called the **Use It or Lose It** provision.

The most you can contribute in 2020 is \$2,700.

Medical

Deductibles	\$	_____

Total	\$	_____

Total (add Medical, Vision, and Dental totals) \$ _____

Important Note: You may have either an FSA or an HSA, but not both.

[Click here](#) to learn more about FSAs.

Dependent Care Flexible Spending Account (DCA)

The DCA allows you to pay for day care expenses for a dependent child or adult. You can set aside up to \$5,000 in your DCA for 2020 (subject to non-discrimination testing compliance).

Eligible services include:

- Nursery school
- Nanny
- Before or after school care/ day camp through age 12
- Day care for a disabled adult or child
- Elder day care for a parent or dependent.

[Click here](#) to learn more about DCAs.

Medical Mutual Debit Card

Your Premier Health FSA and DCA comes with a Medical Mutual debit card that can be used for eligible FSA/DCA transactions. The debit card allows you to use the funds in your account without having to wait for reimbursement. Because your health care benefits and FSA are with Medical Mutual, most transactions are auto-substantiated, meaning there is less likelihood of requiring paperwork to verify a transaction. If you have a DCA and have recurring eligible expenses, your DCA can be set up to reduce the paperwork associated with these expenses. Other DCA transactions will require valid documentation to be submitted.

It is still recommended that you keep receipts and associated paperwork for your transactions. If a transaction requires additional review, you will be asked to provide valid documentation, including receipts and/or explanation of benefits, to validate the transaction.

Hospital Indemnity Insurance (Only Available During Open Enrollment)

Hospital Indemnity insurance from Aflac can reduce the financial stress of a hospital stay by providing a lump-sum cash benefit directly to you that can be used however you need. The policy does not coordinate with any other coverage, so you can still receive benefits on top of what your medical plan provides.

Even with health insurance, a stay in the hospital can become very costly very quickly as out-of-pocket charges begin to add up. For more information about Hospital Indemnity insurance, [click here](#).

Accident Insurance (Only Available During Open Enrollment)

Since accidents can happen at any time – 24 hours a day, seven days a week – it's important to be prepared. That is why we are happy to offer a voluntary Accident Insurance program from Unum.

This benefit provides payments directly to you to help cover the out-of-pocket costs associated with a covered accident (on and off-the-job). For more information about Accident Insurance, [click here](#).

The policy does not coordinate with any other coverage, so you can still receive benefits on top of what your medical plan provides. Plus, the plan includes a \$50 wellness benefit per year per insured when a defined health assessment is completed. [Click here](#) to learn more about the wellness benefit.

Critical Illness Insurance (Only Available During Open Enrollment)

The voluntary Critical Illness program from Unum provides you with a lump sum cash benefit in the event you or a loved one is diagnosed with a covered condition such as cancer, heart attack, or stroke. It can help provide financial protection so you can focus on what's really important — getting better.

You pick the level of coverage that provides the right protection for your family. During this enrollment period, you will have the opportunity to select up to \$30,000 in coverage for yourself, up to \$15,000 for your spouse, and up to \$15,000 for your child(ren) without answering any medical questions. Plus, the policy will also pay you a \$50 wellness benefit when you complete a qualified health assessment. [Click here](#) to learn more about the wellness benefit.

For more information about voluntary Critical Illness insurance, [click here](#).

Legal and Identity Theft Protection (Only Available During Open Enrollment)

Through a nationwide network of law firms, LegalShield® provides coverage for the following areas of law: Family, Financial, Auto, Home, Estate Planning and General. Common legal events it supports include traffic tickets, rental disagreements, automobile accidents, credit disputes and estate management.

IDShield® monitors participants' personally identifiable information (PII) from all angles. Identity and credit threat alerts are sent to the participant if any suspicious activity is found. IDShield is the only identity theft protection plan armed with a team of licensed private investigators, ensuring that if your identity is stolen it will be fully restored.

To learn more about [LegalShield®](#) and [IDShield®](#), [click here](#).

NOTE: Coverage for LegalShield® and IDShield® can only be canceled during Open Enrollment, unless you have a Qualified Life Event.

Life Insurance

Basic Life Insurance and Accidental Death and Dismemberment Insurance (AD&D) is available at no cost to you and is paid for by Premier Health. Full-time employees are eligible for coverage in the amount of \$20,000 or one times annual salary, whichever is greater. Part-time employees are eligible for \$7,500 of coverage. Note: Coverage amounts are reduced at age 65. Refer to your Life Insurance Summary Plan Description for details on age reduction.

Supplemental Life Insurance. You may select up one salary level of Supplemental Life Insurance each year, until you reach the maximum coverage amount.

Dependent Life Insurance. When you elect Supplemental Life Insurance for yourself, you may also choose coverage for your spouse only, children only, or your whole family. Important note: the amount of dependent life insurance you elect for your spouse/children cannot be greater than the value of your own Supplemental Life Insurance amount. If you are adding dependent life coverage for your spouse, you must list them as a dependent on the family information section of [My Benefits](#).

Supplemental AD&D and Dependent AD&D is available for purchase during Open Enrollment.

Be sure to designate a beneficiary (not yourself) for your Life and AD&D Insurance.

Whole Life Insurance (Only Available During Open Enrollment)

Whole Life Insurance with Long Term Care provides much more than a death benefit – it also offers valuable “living benefits” that you can use during times of need.

Unum’s Whole Life Insurance is designed to pay a death benefit to your beneficiaries, but it can also gain cash value you can use while you are living. This benefit offers an affordable, guaranteed level of premium that won’t increase due to age. Unlike term life insurance offered through the workplace, this coverage can continue into retirement. For more information about Whole Life Insurance, [click here](#).

Disability Insurance

Short Term Disability (STD) Insurance provides eligible employees with a portion of your income for up to 26 weeks (including a 7-day waiting period) if you become disabled due to an injury or illness. The policy pays a benefit of 60% of your pre-disability earnings. Benefit payments begin after you have been disabled for seven calendar days. This benefit is paid for by Premier Health and is provided at no cost to you. It is the employee's responsibility to request to use this benefit.

Long-Term Disability (LTD) Insurance is available for full-time employees. Premier Health pays for this plan, which provides income replacement of 60% of your monthly base pay up to the maximum monthly benefit. Benefits are payable after the 180-day elimination period has been exhausted. It is the employee's responsibility to file a claim for this benefit.

Dental and Vision

The Preventive Plan provides coverage for preventive and basic services. The Advantage Plan includes coverage for preventive, basic, endodontics, periodontics and orthodontics.

MetLife is the administrator for the Premier Health Dental Plan. MetLife offers an expanded network of dental providers through the PDP Plus Network. For instructions on how to find a network dental provider and link to the MetLife website, [click here](#).

Vision Service Plan (VSP) is the administrator for the Premier Health Vision Plan-VSP. VSP offers savings on eyewear and eyecare. You can choose to use a VSP provider or any out-of-network provider. To find a provider near you, [click here](#).

Highlights of your dental and vision plans can be found below.

Features	Preventive Plan	Advantage Plan
